Chapter 2 by Jonnie Green- Movie Maker Jedi and Super Awesome Story Writer (P.S. This is a SECRET identity)

A Time ago long, in far far galaxy away...

A Jedi there was. This Jedi, Obi-Wan Kenobi was. Kenobi a Padawan had. Anakin Skywalker, his Padawan was. The Chosen One, was Skywalker. Foretold, was he. A child of the Force, was he. No father did Skywalker have.

A difficult undertaking, had Kenobi, in training young Skywalker. Promised his Master, Kenobi did, to train the boy. Let Kenobi keep his promise, we did.

Mistaken, we were. Much pain and uncertainty in Skywalker's future, I sense. But clouded is our vision. The Dark Side, strong in Skywalker's future is. Much anger I sense in him. But trust Kenobi we will. Train young Skywalker Kenobi will, and a great Jedi will Skywalker be.

requested Jedi escorts as protection for the Senator.

Chosen as the escorts, Kenobi and Skywalker were. First meeting for them, this was not. The Senator had met Kenobi and Skywalker once before, when Queen of Naboo she was. That was several years ago, and Skywalker much older is. Hmm... Strong feeling he has for her, I sense. Dangerously so.

Close to his Padawan, Kenobi is. Strong is their friendship. Like brothers, are they. To Skywalker is Kenobi a father.

After assigned to Senator Amidala, Kenobi and Skywalker rescue the Senator from another attempt on her life. Out the window, went Kenobi after the assassin, as Skywalker retrieves a speeder to rescue his master in. Best star pilot in the galaxy, even I think Skywalker is. Unrivaled, his skills are. Fast, his reflexes. Strong in the Force is he.

After chased they down the assassin, another bountyhunter killed the assassin. Left behind a clue, he did. A small poisoned dart, it was. Kenobi an old friend had, Dexter Jettster, who was wise in the ways of the galaxy's inhabitants. An important clue did he give Kenobi. Identified the dart as Kaminoan make, did Jettster.

Took the Senator to her home planet, Skywalker did, to protect her. Left her Representative, Jar Jar Binks, she did. Senator Amidala and young Skywalker alone on Naboo- Oh! No, things go not well at all. Dark forebodings I perceive in this whole matter.

To Kamino, Kenobi went, after helped him determine its location the younglings did. Ah, the mind of a child. Hmm...

On Kamino, a clone army Kenobi discovered. Requested by the former Jedi Sifo Dyass, but dead Sifo Dyass was before this could be requested. Unless not dead he is, but Sith!

This clone army, made after a bountyhunter Jango Fett was. A cloned son, Fett had. Boba Fett and his father escaped in a ship. Kenobi could not prevent them from leaving. Trailed them did

Kenobi, through an asteroid field to the planet Geonosis. On Geonosis, was Kenobi captured.

Council did. Disobeyed us again, did Skywalker, and he and the Senator were captured on Geonosis. Hmm...

Sent the Jedi to Geonosis, I did... And to Kamino, now, I go. Sense the Dark Side in this, I do.
